# WELCOME TO THE *RIVER ROSE INN* *Bed & Breakfast...*

This lovely historic home was built in 1914, occupied by Ed Wall as his private residence. The bricks used to build this structure were ferried down the Ohio River from Pittsburg, PA.

Ed Wall was a direct descendant of James McFarlan, founder of Elizabethtown in 1812. James McFarlan also built the historic McFarlan's Tavern that is now a hotel managed by the Illinois Historical Preservation Agency.

The beautiful Ohio River serenely flows by this picturesque river town while adventure beckons in the scenic hills of the Shawnee National Forest.

Enjoy the beautiful state parks, many historic attractions featuring sacred ritual grounds of the Shawnee Indians and river pirates legends. Garden of the Gods in the Shawnee National Forest has walking paths revealing unusual rock formations and breathtaking bluffs dating back 300 million years.

Come take a step back in time ...
